## Transportation

In the campus of the University you can use the buses for free only for the route “administrative services”- terminal of the bus route and not vice versa (see map).

A regular bus service runs (every 10 minutes) between the University of Ioannina and the city centre (Buses No.16, 17). Without traffic jam it lasts about twenty (20) minutes. The student card gives reductions on the tickets for local distance buses, so the bus fare for students (green ticket) is 0,60 € (one-way trip) instead of 1,30€ (whole ticket-orange ticket). The last itinerary from the University to the center of the town begins from the terminal at 23:00 whereas the last itinerary from the center of the town (bus stop “dikastiko megaro”) to the University begins at 23:00 (Mon., Tue., Wed., Thu., Fri.) 22:40 (Sat., Sun.).

You can also take a taxi to the city center which will cost about 8€ (the cost is different during the night). Usually there are taxis waiting outside the University Hospital, but if there are no taxis waiting, you may call the following phone no.:+30-26510-46777.

## Sports facilities
